

# LEVEL UP YOUR CAREER

with Active Release Techniques®

## Why become an Elite Provider?

**ART Elite Providers** are highly-qualified health care professionals, delivering on-site preventive care through ART's workplace wellness programs. Their services help reduce absenteeism, improve productivity, and support employee health. Providers can work as either **ART employees** or **independent contractors**—offering two great avenues depending on what you are looking for in your career.

## THE ELITE PATH
